

COLLEGE FOOTBALL OFFICIATING, LLC

HONORING DAVE PARRY

The entire football officiating community is saddened by the passing of David Parry. As a way of honoring Dave and his many contributions to our sport we are asking each college football official to wear a specially-designed "DP" patch on the back of the uniform cap. This patch will be worn during the 2011 season only. Three (3) such patches will be included in the CFO Welcome Packet that all CFO members will receive soon after the first of July. The patch should be centered on the back of the cap, one-half inch from the bottom.
