2011 Clinic Test

1. **With 15:00 left in the 3rd quarter, Team A kicks off from the A30 trailing 17-20.** Kicker A22 runs up to the ball and changes direction at the last moment, driving the ball into the ground and it bounces high in the air. B39 jumps up at the A40 yard line to try to catch the ball but is blocked by A45 at that point, which allows A2 to recover the ball at the A42 yard line. When A45 blocked B39, the ball was in the air at the A40 yard line. Game #155.
-

2. **A 3&1 at B19.** With 12:20 remaining in the 4th quarter and Team A trailing 30-35, QB A11 runs to his left and pitches the ball backward to back A23. A23 muffs the ball at the B22 yard line and the ball hits the ground. A23 secures the ball as he is stumbling and falling to the ground and when he hits the ground, the ball immediately comes loose and rolls near the sideline. B10 picks up the loose ball at the B20 before it touches the sideline, takes two steps in bounds and steps out of bounds at the B20. Game #183.
-

3. **A KO at A30.** With 7:08 in the 3rd quarter, B6 muffs the kickoff in the EZ into the air but catches it before it hits the ground. He steps out into the field of play at the B1 yard line, hesitates when teammate B7 wants him to stop. He continues running and is hit by A13 who rips the ball from his control at the B5. The ball goes into the EZ and in the scramble for the ball B13 bats the ball out of the back of the end zone. Game #201.
-

4. **A 4&6 at B41.** Eleven seconds remain in the second quarter and Team A trails 28-0 and is out of timeouts. Shotgun QB A4 takes the snap but is quickly pressured while still in the pocket and retreats. Just as B95 contacts him to wrap him up, A4 throws the ball from the A47 yard line out to the side and it hits B46 in the hands and falls incomplete. There are no eligible Team A players in the area. The game clock shows 0:06 at the end of the play. Game # 26.

5. **A 3&6 at A24.** At 2:17 in the 1st quarter, QB A7 scrambles and throws a pass down the sideline to A28. Prior to the pass, B14 had legally pushed A28 out of bounds and B14 remained inbounds while making occasional contact to prevent A28 from coming back in bounds. A28 catches the pass at the A37 yard line with his right foot out of bounds. Game # 34.

6. **A 1&10 at A29.** With 4:59 in the 3rd quarter, Shotgun QB A3 takes the snap and throws a pass toward A80 down the left sideline. While the pass is in the air, B4 while not playing the ball extends his left arm and restricts A80 from reaching up to catch the pass at the A45 yard line. Game # 210.

7. **A 2&10 at A32.** With 14:40 to go in the 4th quarter, Shotgun QB A14 takes the snap, rolls out and throws a pass to his right toward right wide receiver A9 at the A35 yard line. Prior to the pass, right slot receiver A6 blocked B38 at the A36 yard line and continued his block while the pass was in the air toward A9. A9 catches the ball and is tackled by B38 at the A38 yard line. Game # 192.

8. **A 2&3 at A27.** With 8:28 in the first quarter, T-QB A12 throws a long pass toward A17, which falls incomplete. Prior to the pass back A46 grabs blitzing CB B2 at the A20 yard line, turns and restricts him from getting to the QB. Game # 69.

9. **A 1&10 at B42.** With 6:35 remaining in the 2nd quarter, QB A12 runs to his left and is tackled by linebacker B51 at the B43 yard line. During the run, left tackle B95 grabs and restricts right guard A61 by the collar at the line of scrimmage that prevents him from getting downfield to block linebacker B21. Game # 147.

10. **A 2&10 at B39.** At 2:24 in the 4th quarter, Team A breaks the huddle and comes to the line of scrimmage. From the huddle A84 and A4 are never set as A89 goes and stays in motion at the snap. QB A12 hands off to back A3 and he is immediately tackled by the facemask by B55 at the B40 yard line. Game # 7.
